DETAILED ACTION

Reissue Applications

1. The reissue oath/declaration filed with this application is defective because none of the errors which are relied upon to support the reissue application are errors upon which a reissue can be based. See 37 CFR 1.175(a)(1) and MPEP § 1414. Any error in the claims must be identified by reference to the specific claim(s) and the specific claim language wherein lies the error. A statement of ... "failure to include a claim directed to ..." would not be considered a sufficient "error" statement (see MPEP 1414 ii(C)).

2. Claims 1-9 and 11, 13 are rejected as being based upon a defective reissue Declaration under 35 U.S.C. 251 as set forth above. See 37 CFR 1.175.

The nature of the defect(s) in the Declaration is set forth in the discussion above in this Office action. With regard to claim 13, it was agreed during the telephone interview on 3/27/2007 that claim 13 will be canceled to facilitate the allowance of the application.

Allowable Subject Matter

3. Claims 1-9, 11 are allowed.
